REPORT TO TOWNS

ALBANY

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forest and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

ALBANY CEMETERY ASSOCIATION REPORT—1975

Flowers were planted at all cemeteries before Memorial Day, but with the difficult weather at that time of year they didn't survive. Therefore more were planted around the middle of June and looked very nice for the remainder of the summer.

The sunken graves at the Iona Lake Cemetery were filled in, grass will be planted in the spring.

The trustees are planning to have all the broken grave markers in all cemeteries fixed this spring.

Work has started again at the Hammond Cemetery on Drake Hill Road. A small portion has been filled in and leveled off. There are lots ready for sale now. Shrubs are going to be planted at the entrance and a small sign will read: HAMMOND CEMETERY donated to the town of Albany by Mr. and Mrs. Arnold Williams in memory of Mr. Charles Hammond.

The cemeteries were cared for by Jo-Anne Murray and Wayne Brett. The trustees thank them for their fine services.

Two lots were sold in the Passaconaway Cemetery.
